

Prices:

For my individually designed private tours, prices depend on the duration of the tour, the number of the tourists, the season, (winter discount 10 -30 % valid since January 10 till March 10; December 24-31 and January 1 please add 20 % to the price of the tours), the destination and other factors. For these reasons I give a specific price for each individual client or for each group of clients. The price does not include any meals, entrance fees, tips, etc. You can pay by VISA, Master Card, Maestro, Dinners Club, V Pay, JCB, Dinners Club. Only the prices in CZK are fixed. The prices shown in USD and Euro can vary according to the exchange rate. Here are **the prices of the most popular tours and trips to other European cities and the sightseeing transfers**.
